

FISCAL NOTE

SB 446 - HB 1033

February 20, 2003

SUMMARY OF BILL: Specifies that the annual in-service training required for sheriffs shall not include any physical component. Eliminates the requirement that a person elected to the office of sheriff must complete the recruit training program offered by the Tennessee Law Enforcement Training Academy.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant

Decrease State Revenues - Not Significant

Decrease Local Govt. Expenditures - Not Significant

Estimate assumes:

- a decrease in state expenditures related to the cost of providing recruit training at the Tennessee Law Enforcement Training Academy.
- a decrease in state revenues from fees paid by local governments to send new sheriffs to recruit training.
- these decreases would be not significant and only experienced when a sheriff is newly elected who would have had to attend recruit training in the absence of the bill.
